THE BOIL WATER NOTICE HAS BEEN LIFTED

The State Water Resources Control Board Division of Drinking Water in conjunction with the Calaveras County Environmental Health Department, and the Calaveras County Water District (CCWD) are advising about 140 residents on Meko Drive, Blackfoot Circle, Mewuk Lane, Mido Way, and parts of Shoshone Drive served by CCWD's Ebbetts Pass Water System #05100166, that the results of the testing of your water supply are absent for bacteriologic contaminants. The potable water supply meets all the state and federal safety requirements and your water is safe to drink and use as you see fit.

You no longer have to boil your water
