<u>Joel Metzger, General Manager of UWPA</u> thanked the Board for the emergency assistance provided to UWPA by the District during the recent winter storms.

3. CONSENT AGENDA

MOTION: Directors Davidson/Secada-Approved Consent Agenda Items: 3a, 3b, and 3c as presented

- 3a Approval of Minutes for the Board Meeting of March 8, 2023 (Rebecca Hitchcock, Clerk to the Board)
- 3b Report on the Monthly Investment Transactions for February 2023 (Jeffrey Meyer. Director of Administrative Services)
- Amendment to Upper Mokelumne River Watershed Authority (UMRWA) Joint Powers Agreement (Michael Minkler, General Manager) RES 2023-14

AYES: Directors Davidson, Secada, Underhill, and Thomas

NOES: None ABSTAIN: None

ABSENT: Director Ratterman

4. PUBLIC HEARING

Vice-President Thomas opened the Public Hearing at 1:06 p.m.

- Discussion/Direction regarding Execution and Delivery of Joint Community Facilities Agreements in Connection with the Bond Opportunities for Land Development (BOLD)

 (Jeffrey Meyer, Director of Administrative Services)
 - Authorizing Execution and Delivery of Joint Community Facilities
 Agreements in Connection with the Bond Opportunities for Land Development (BOLD) Program

 RES 2023-15

DISCUSSION: Mr. Jeff Meyer detailed the item up for discussion and the participants that had joined the meeting online. He explained that the program is offered by the California Municipal Finance Authority (CMFA) to provide its members and other local agencies in the State a means to accommodate community facilities district (CFD) formation and bonding within their jurisdiction. By participating in the program, formation of the CFD, administration and bonding is handled by CMFA and the District can help facilitate new development within its boundaries, with minimal involvement by the District and District staff. Bonds are issued through CMFA, with no involvement of the District needed other than approving the use of the program and, prior to actual issuance of bonds, entering into an agreement to acquire the public facilities or fees to be paid for with the bond proceeds. The District is not liable to repay the bonds issued by CMFA or the special taxes imposed on the participating properties and has no contractual relationship with bond owners or the bond trustee. Mike Whipple, DFA spoke to the Board regarding the projects normally funded by BOLD. Director Davidson asked about the capacity fee payments to the District. Mr. Whipple explained there are several options such as prepayment of capacity fees. There was additional discussion regarding the developer and possible default on the loans.

Approving, Authorizing, and Directing Execution of a Joint Exercise
of Powers Agreement Relating to the California Municipal
Finance Authority
 RES 2023-16

<u>DISCUSSION</u>: Mr. Meyer stated the law requires each local agency receiving bond proceeds or special tax proceeds form a CFD to enter into a joint community facilities agreement with the agency forming the CFD, which in this case is CMFA. Staff recommends that the District apply for membership in CMFA and adopts a resolution expressing the District's intent to allow participation in the BOLD Program and entrance into the required agreements from time-to-time in the future. Mr. Whipple explained the flow of the process if the District chooses to join. There was additional discussion regarding CV Development and LGI Homes, who are interested in using this program.

<u>PUBLIC COMMENT</u>: Ralph Copeland expressed his concerns of the District working with CV Development.

An online participant asked how CCWD collects the difference in Capacity Fees if they increase after the developer pays them.

Vice President Thomas closed the Public Hearing at 1:57 p.m.

MOTION: Directors Secada/Davidson-Adopting Resolution No. 2023-15-

Authorizing Execution and Delivery of Joint Community Facilities

Agreements in Connection with the Bond Opportunities for Land

Development (BOLD) Program

AYES: Directors Davidson, Underhill, Secada, and Thomas

NOES: None ABSTAIN: None

ABSENT: Director Ratterman

MOTION: Directors Davidson/Underhill-Adopting Resolution No. 2023-16-

Approving, Authorizing, and Directing Execution of a Joint Exercise of Powers Agreement Relating to the California Municipal Finance

Authority

AYES: Directors Secada, Davidson, Underhill, and Thomas

NOES: None ABSTAIN: None

ABSENT: Director Ratterman

5. REPORTS

5a General Manager's Report (Michael Minkler)

<u>DISCUSSION:</u> Mr. Minkler reported on the following activities: 1) the discussion at the Finance Committee regarding Policy for Lock-Offs for late payments; 2) the Copperopolis Town Hall; 3) the February/March storms and damage on Barney Way; 4) the North Fork negotiations; 5) the ACWA State Legislative Symposium is on Thursday.

6. BOARD REPORTS / INFORMATION / FUTURE AGENDA ITEMS

<u>Director Underhill</u> reported on the snow in Arnold, the White Pines Park Committee meeting, and the upcoming Town Hall meeting on Tuesday.

<u>Director Davidson</u> had nothing to report.

<u>Director Secada</u> reported on the Copperopolis Town Hall presentations, the Finance Committee Meeting, the IRWM, and Lumberjack Days.

<u>Director Thomas</u> addressed a comment made during public comment.

7. <u>NEXT BOARD MEETINGS</u>

- Wednesday, April 12, 2023, 1:00 p.m., Regular Board Meeting
- Wednesday, April 26, 1:00 p.m., Regular Board Meeting

8. CLOSED SESSION

The meeting adjourned into Closed Session at approximately 1:57 p.m. Those present were Board Members: Cindy Secada, Bertha Underhill, Russ Thomas, and Jeff Davidson; staff members Stacey Lollar, Human Resources Manager (for item 8b), Michael Minkler, General Manage; and Matt Weber, General Counsel.

- 8a Conference with Legal Counsel Anticipated Litigation. Significant exposure to litigation pursuant to subdivision (d)(2) of Government Code section 54956.9. 1 potential case
- 8b Government Code § 54957.6 Agency Negotiators: General Manager Michael Minkler, HR Manager Stacey Lollar regarding Negotiations with Employee Organization SEIU Local 1021 and Management and Confidential Unit

9. REPORTABLE ACTION FROM CLOSED SESSION

The Board reconvened into Open Session at approximately 3:07 p.m. There was no reportable action.

11. ADJOURNMENT

With no further business, the meeting adjourned at 3:07 p.m.

Respectfully Submitted:	ATTEST:	
Michael Minkler	Rebecca Hitchcock	
General Manager	Clerk to the Board	

Item 3b

Agenda Item

DATE: April 12, 2023

TO: Michael Minkler, General Manager

FROM: Rebecca Hitchcock, Clerk to the Board

SUBJECT: Review Board of Directors Time Sheets for March 2023

RECOMMENDED ACTION:

For information only.

SUMMARY:

Pursuant to direction from the Board of Directors, copies of the Board's monthly time sheets, which the Board is compensated from, are included in the monthly agenda package for information. Attached are copies of the Board's time sheets for the month of March 2023.

Board Members can be reimbursed for mileage cost to travel to meetings/conferences and are paid at the current IRS rate.

FINANCIAL CONSIDERATIONS:

Monthly compensation and mileage reimbursement costs are included in the FY 22-23 budget.

Attachments: Board of Directors Time Sheets for March 2023

RESOLUTION NO. 2023-

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CALAVERAS COUNTY WATER DISTRICT

RATIFYING CLAIM SUMMARY NO. 613

WHEREAS, the Board of Directors of the CALAVERAS COUNTY WATER DISTRICT has reviewed and considered Claim Summary Number 613 at the Regular Meeting held on April 12, 2023; and

WHEREAS, Board Members have resolved questions, issues, or concerns by consultation with District staff during said meeting.

NOW, THEREFORE, BE IT RESOLVED that the CALAVERAS COUNTY WATER DISTRICT Board of Directors hereby ratifies Claim Summary Number 613 in the amount of \$3,738,724.33 for the month of March 2023.

PASSED AND ADOPTED this 12th day of April 2023 by the following vote:

AYES: NOES: ABSTAIN: ABSENT:	
	CALAVERAS COUNTY WATER DISTRICT
	Scott Ratterman, President Board of Directors

CCWD's	Resolution	2022-59 aı	nd Stage	2 Man	datory	Cons	ervat	ion M	easure	s adopte
June 8, 2	023.		_		_					-

SUMMARY:

In response to the historic winter precipitation in 2022-2023 throughout much of California, Governor Newsom acknowledged the dramatically improved water supply conditions and issued Executive Order N-5-23 (attached) on March 24, 2023. Governor Newsom's Executive Order dropped some drought emergency provisions that are no longer necessary due to current water conditions, while maintaining other measures that support regions and communities still facing water supply challenges, and that continue achieving long-term water resilience. Improved conditions have helped rehabilitate surface water supplies but have not abated the severe drought conditions that remain in some parts of the State. As well, many groundwater basins throughout the State remain depleted from overreliance and successive multi-year droughts. Notwithstanding the rescission of certain emergency authorities for emergency drinking water action, state agencies have existing legal authority and funding to continue expedited work to advance the human right to water, and state agencies will continue all ongoing drought resilience planning work. Specifically, Governor Newsom highlighted groundwater recharge projects by a continued emphasis on streamlining the regulatory approval process to assist agencies in attaining groundwater sustainability.

Executive Order N-5-23 specifically:

• Ends the voluntary 15% water conservation target, while continuing to encourage Californians to make conservation a way of life.

- Ends the requirement that local water agencies implement Level 2 of their Drought Contingency Plans.
- Maintains the ban on wasteful water use, such as watering ornamental grass on commercial properties.
- Preserves all current emergency orders focused on groundwater supply, where the effects of the multi-year drought continue to be devastating.
- Maintain orders focused on specific watersheds that have not benefited as much from recent rains.
- Retains a state of emergency for all 58 counties to allow for drought response and recovery efforts to continue.

The District fully recognizes the Governor's efforts to make water conservation a way of life for Californians. Additionally, the District will continue to educate its customers about the importance of water use efficiency. Finally, the District is eager to collaborate with other stakeholders to work closely with the State Board to craft reasonable and achievable long-term and permanent water use efficiency policies that will guide Calaveras County into the future.

FINANCIAL CONSIDERATIONS:

Eliminating water conservation restrictions could lead to an increase in consumptive revenue from water sales, although staff does not expect a significant rebound in the near term because many customers made permanent changes to their properties to minimize water use.

RESOLUTION NO. 2023-

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CALAVERAS COUNTY WATER DISTRICT

RESCINDING RESOLUTION 2022-59 ENACTING STAGE 2 OF WATER SHORTAGE CONTINGENCY PLAN PER STATE WATER RESOURCES CONTROL BOARD REQUIREMENTS AND GOVENOR'S EXECUTIVE ORDER N-7-22

WHEREAS, despite the multi-year nature of the current drought, which began three years after the record-setting drought of 2012-2016, and continues to have significant impacts on communities across California, the Calaveras County Water District (CCWD) has maintained adequate water supplies to continuously meet the needs of its customers; and

WHEREAS, in response to Governor Newsom's Executive Order N-7-22 on March 28, 2022, ordering mandatory water conservation measures, CCWD adopted Resolution 2022-59 on June 8, 2022, enacting Stage 2 Mandatory Conservation Measures; and

WHEREAS, the March 3, 2023, snow survey conducted by the Department of Water Resources and partner agencies found that most regions of the Sierra Nevada are above average for snow water content, and some regions are nearing record amounts of snow, and snow and rain has fallen across many regions of the state since then, with more precipitation forecasted; and

WHEREAS, improved conditions have helped rehabilitate surface water supplies, but have not abated the severe drought conditions that remain in some parts of the State, and many groundwater basins throughout the State remain depleted from overreliance and successive multi-year droughts; and

WHEREAS, continued action by the State is needed to address ongoing consequences of the drought emergency, including groundwater supply shortages, domestic well failures; and

WHEREAS, improved conditions warrant an even more targeted State response to the ongoing drought emergency and certain provisions in the State of Emergency Proclamations dated April 21, 202I, May 10, 2021, July 8, 2021, and October 19, 2021, and in Executive Orders N-10-21, N-7-22, and N-3-23 provide authority that is no longer needed to mitigate the effects of the drought conditions or direct actions by state agencies, departments, and boards that have already been completed; and

WHEREAS, on March 24th, 2023, Governor Newsom enacted Executive Order N-5-23, which terminated or superseded several provisions in prior Proclamations and Orders; and

WHEREAS, notwithstanding the rescission of certain emergency authorities for emergency drinking water action, state agencies have existing legal authority and funding

to continue expedited work to advance the human right to water, and state agencies will continue all ongoing drought resilience planning work, including through coordination with local agencies and tribes; and

WHEREAS, CCWD's 2020 Urban Water Management Program contains a Water Shortage Contingency Plan with an Emergency Demand Reduction Program outlining measures to be taken in the event of future water shortages.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors of the CALAVERAS COUNTY WATER DISTRICT does hereby rescind Resolution 2022-59, Establishing Stage 2 Conservation Measures, on June 8, 2022.

BE IT FURTHER RESOLVED, that CCWD fully recognizes the Governor's efforts to make water conservation a way of life and the District will continue to educate its customers about the importance of water use efficiency.

PASSED AND ADOPTED this 12th day of April, 2023, by the following vote:

Item 4b

Agenda Item

DATE: April 12, 2023

TO: Michael Minkler, General Manager

FROM: Stacey Lollar, Human Resources Manager

SUBJECT: Discussion/Action regarding approval of a Side Letter Agreement with the

Management and Confidential Unit

RECOMMENDED ACTION:

Motion: ______ approving Resolution 2023- ____ approving a side letter agreement to the current Agreement with the Management and Confidential Unit (MCU) amending Appendix B, C, D, and E.

SUMMARY:

Staff has met and conferred in good faith with the MCU and all parties on the following recommended updates to the salary schedule:

District Engineer Salary Range Increase:

The Calaveras County Water District (the District) has been recruiting for a District Engineer diligently for nearly a year in a highly competitive market with a limited pool of qualified applicants. Through the recruiting process, the District's salary range was a concern and efforts were made with a small increase in July 2022 to no avail. In November 2022 Bob Murray & Associates, a recruiting firm, was hired to assist with the recruiting efforts. When speaking with the recruiter through the process she mentioned several times the difficulty of finding qualified candidates. In order to attract the talent needed for the District, we are confident that an increase to the District Engineer classification will yield the results we desire.

An in-house salary survey was conducted, and results indicate the District is currently below the average salary range of similar District Engineers in similar agencies by at least 10%. Staff recommends a 10% increase to the District Engineer salary range to bring the District Engineer closer to the average salary range of similar positions.

Business Services Manager:

With recent retirements and upcoming retirements, the District is in the beginning stage of developing a succession planning program. Though we hoped to be farther along with

a program it has not come together as quickly as we hoped for varied reasons. We do know that we have employees in critical roles throughout the District that are planning on retiring within the next couple of years. In some cases, we believe that we will be able to manage these retirements with limited overlap timeframes. In the case of the Administrative Services Department, we are not confident in this approach.

In an effort to create a successful transition in the Administrative Services Department due to upcoming retirements, staff recommends the addition of a Business Services Manager classification in the Management and Confidential Unit. This position will work closely with all employees in the Administrative Services Department to create cohesiveness, solutions, and effective work flow efforts especially between the finance and customer service departments. The Business Services Manger will also be key in project management of the transition from Springbrook to Tyler for the finance module. Additionally, this new position will manage the IT department, which has historically been a part of the Administrative Services Department.

It is understood that an additional F.T.E. (Full-Time Employee) is not possible, therefore, the filling of this position will be limited to in-house candidates only. Depending on who is hired internally, the District will determine if the candidate's position can be held vacant or if a reorganization of staff could occur to accommodate the change.

An in-house salary survey was also conducted for the proposed classification. Based on these results staff recommends a yearly salary of \$101,100 to \$135,708.

External Affairs Manager Classification:

External Affairs Manager classification: In May 2017 this classification was created to support the District's efforts in public relations, grants, water conservation, and legislative efforts all while managing the Customer Service department. Two classification levels were created to allow the flexibility to hire someone with experience in one of the major areas and as experience and skills were achieved in the other areas, there would be room for advancement.

The District found that it was challenging for this position to create and foster a robust program particularly in the area of public relations and community outreach, with such a broad level of responsibility. Over a year ago a Customer Service Supervisor was hired to allow the External Affairs Manager to focus on duties and tasks associated with public relations, grants, water conservation, and legislative efforts. The District has found this arrangement to be especially beneficial to the public relations and community outreach efforts of the District. With the more narrowly focused job duties of the External Affairs Manager, staff recommends eliminating the classification levels and reverting to the single classification of External Affairs Manager.

Salary Schedule Formula Correction:

While working with the MCU salary schedule to recommend the above items an error on the FY 2023/2024, 2024/2025, and 2025/2026 salary schedules was found for the

Director of Operations salary range. An additional 2% increase was included in the calculation those years, however that was not the intent nor was it referenced in Article 4 - Compensation - Salary Increases of the for those years. The proposed salary schedule includes this correction.

FINANCIAL CONSIDERATIONS:

The 10% increase in the District Engineer classification will not be impactful to the FY 23/24 budget due to the long term vacancy of the position. Moving forward in subsequent fiscal years, the incremental 10% increase will be budgeted for accordingly.

The full budget impact of the addition of the Business Services Manager position is unknown at this time since the position must be filled with an internal candidate. Depending on the internal candidates' current wage the District could anticipate an increase of 10% to 15%. This increase would not be realized until sometime in May and could be absorbed due to salary savings throughout the fiscal year due to various position vacancies. Moving forward in subsequent fiscal years, the incremental 10% increase will be budgeted for accordingly.

STRATEGIC PLANNING:

The 2021-2026+ CCWD Strategic Plan (Strategic Plan, adopted April 28, 2021 per Board of Directors' Resolution No. 2021-24, outlines several Goals and Objectives (Objectives) meant to identify organizational opportunities and measure CCWD's results over time. Consistent with the Strategic Plan, this Agenda Item supports the following objectives:

EO-01	Develop a District that our customers value and our Board and staff are proud to serve.
EO-04	Ensure proactive succession planning.
EO-06	Develop thought leadership.
EO-09	Evaluation the District's essential staffing and priorities.

2022-2026 MCU Salary Schedule

Resolution 2023- approving a side letter agreement with the MCU

AGREEMENT BETWEEN

CALAVERAS COUNTY WATER DISTRICT AND

MANAGEMENT & CONFIDENTIAL UNIT

Term: July 1, 2021 through June 30, 2026

Side Letter of Agreement Amendment to Appendix B, C, D, and E

Effective May 1, 2023, the Calaveras County Water District (CCWD or the District) and Management and Confidential Unit (the MCU) agree to the following side letter amending the Agreement for the term July 1, 2021 through June 30, 2026.

Appendix B, C, D and E Salary Schedules

An updated Salary schedule effective May 1, 2023 and all wage schedules remaining for the term of the MOU will:

- a. Addition of the Business Services classification.
- b. Increase the salary range of the District Engineer classification.
- c. Elimination of the External Affairs Manager I classification.
- d. Rename the classification of the External Affairs Manager II to External Affairs Manager.

Appendix C, D and E Salary Schedules

An updated Salary schedule effective May 1, 2023 and all wage schedules remaining for the term of the MOU for the formula correction of the Director of Operations classification.

All other MOU language not included in this amendment remains the same and continues to be valid.

Signed and agreed:

RESOLUTION NO. 2023-

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CALAVERAS COUNTY WATER DISTRICT

APPROVING A SIDE LETTER TO THE AGREEMENT BETWEEN THE CALAVERAS COUNTY WATER DISTRICT AND THE MANAGEMENT AND CONFIDENTIAL UNIT (MCU) EFFECTIVE MAY 16, 2022 THROUGH JUNE 30, 2026

WHEREAS, both the Board of Directors of the Calaveras County Water District (CCWD) and MCU entered into an Agreement having an effective date of July 1, 2021 through June 30, 2026, the terms of which the Agreement are incorporated herein by this reference; and

WHEREAS, the Board of Directors agree to the addition of the Business Services Manager classification; and

WHEREAS, the Board of Directors agree to the revised salary range for the District Engineer classification; and

WHEREAS, the Board of Directors agree to the elimination of the External Affairs Manager I classification and update the External Affair Manager II classification to External Affairs Manager; and

WHEREAS, the Board of Directors agrees to the salary schedule formula corrections for the Director of the Operations classification in fiscal years 2023/2024, 2024/2025, and 2025/2026; and

WHEREAS, District staff has successfully met and conferred with Management and Confidential Unit to address concerns regarding the addition of the classification.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors of the CALAVERAS COUNTY WATER DISTRICT approve the addition of the Business Services Manager classification, revised salary range for the District Engineer classification, changes to the External Affair Manager classification, and the formula corrections to the Director of Operations as depicted in the wage schedule effective May 16, 2022, attached hereto and made a part hereof.

Item 4c

Agenda Item

DATE:	April 12, 2023				
TO:	Michael Minkler, General Manager				
FROM:	Stacey Lollar, Human Resources Manager				
SUBJECT:	Discussion/Action regarding approval of a Side Letter Agreement with SEIU				
RECOMMEN	NDED ACTION:				
	/ approving Resolution 2023 approving a side nent to the current Memorandum of Understanding with SEIU Local 1021 to mporary positions lasting more than twelve months.				
SUMMARY:					
The past several years the Calaveras County Water District (the District) has endured more than normal levels of employee turnover largely due to the number of retirements.					
When positions become available at the District, management staff evaluate the greatest need of the District for both the short term and long term goals. At times, it is best to hire a temporary position to allow staff the leverage to complete projects or assist in transitions. Management has seen great value in the ability to hire temporary positions and believes the continued use of temporary positions, where appropriate, will continue to help the District reach its goals in an efficient and fiscally responsible manner.					
For the most part temporary employees are provided the same benefits as full-time employees, therefore it is reasonable for SEIU Local 1021 to recognize temporary positions lasting more than twelve months. All provisions of the SEIU Local 1021 Memorandum of Understanding will apply, with the exception of Article 21 – Layoff/ Rehire and Bumping Rights.					
1021 and ag	t has met and conferred in good faith with the executive team of SEIU Local grees with the recommendation for temporary positions lasting more than as to be recognized by SEIU Local 1021 with the exception as noted above.				
FINANCIAL	CONSIDERATIONS:				
None.					

STRATEGIC PLANNING:

The 2021-2026+ CCWD Strategic Plan (Strategic Plan, adopted April 28, 2021 per Board of Directors' Resolution No. 2021-24, outlines several Goals and Objectives (Objectives) meant to identify organizational opportunities and measure CCWD's results over time. Consistent with the Strategic Plan, this Agenda Item supports the following objectives:

EO-04 Ensure proactive succession planning.

EO-09 Evaluation the District's essential staffing and priorities.

Resolution 2023-___ approving a side letter agreement with SEIU Local 1021

MEMORANDUM OF UNDERSTANDING BETWEEN

CALAVERAS COUNTY WATER DISTRICT and SEIU LOCAL 1021 Term: July 1, 2021 through June 30, 2026

Side Letter of Agreement Amendment to Article 1 - Recognition and Definitions

Effective April 12, 2023, the Calaveras County Water District (the District) and The Service Employees International Union Local 1021 (SEIU) agree to the following side letter amending the Memorandum of Understanding (MOU) for the term July 1, 2021 through June 30, 2026:

Article 1 - Recognition and Definitions

- A. Recognition The Calaveras County Water District (District), recognizes Service Employees International Union (SEIU) Local 1021 (Union), as the exclusive bargaining representative for all regular full-time and regular part-time classifications listed in the attached wage schedule.
 - Temporary positions approved for a term of more than twelve (12) months will be recognized by the Union. All provisions set forth in the Memorandum of Understanding will apply, with the exception of Article 21 – Layoff/Rehire and Bumping Rights, in the event the District eliminates the position or the term of the temporary position ends.

All other MOU language not included in this amendment remains the same and continues to be valid.

RE: Report on the March 2023 Operations and Engineering Departments

RECOMMENDED ACTION:

Report on the Operations and Engineering Departments Report for Districts 1 through 5.

SUMMARY:

Attached is the monthly Operations and Engineering Departments Report for March 2023. The report will review the operational status and work completed by departmental administration and each of the five Districts. The report will cover the following:

- Administration
- Engineering
- Water treatment plants
- Wastewater treatment plants
- Distribution
- Collections
- Construction
- Electrical
- Mechanical

Staff will be present the report to the Board of Directors and will be available for questions.

FINANCIAL CONSIDERATIONS:

None.

Attachment: March 2023 Operations and Engineering Department Reports for Districts 1 through 5

Operations and Engineering Departments Report

March1st through March 31st, 2023

Director of Operations:

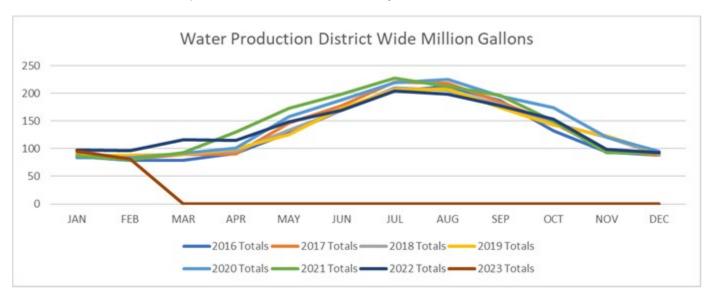

- 1. On-going coordination and management of multiple District Operations and Engineering projects and work efforts
- 2. Extensive coordination related to multiple Atmospheric River Storms
- 3. Presented Engineering Project status and operational state of the District to residents of the Copperopolis Area at the District's Town Hall Meeting.
- 4. Worked with the Engineering Team, Finance Team, and GM to develop an update to the five-year CIP.
- 5. Participated in on-going meetings with the Army Corps of Engineers related to the Copper Cove Dam Raise and the Tertiary Filter Replacement.
- 6. On-going work with ACWA's Clean Fleets working group to ID and describe operational challenges associated the CARB's Clean Fleets Rule- Drafted an opposition letter to the Advanced Clean Fleets Regulation.
- 7. Conducted the Bi-Monthly Engineering Committee Meeting.
- 8. Conducted the Quarterly Utilities Coordination Meeting.
- 9. Continued the Development of a Confined Space Identification workbook for District facilities.
- 10. Participated in multiple onsite project progress meetings.
- 11. Participated in the Kickoff to the District's Local Hazard Mitigation Plan meeting.
- 12. Routine and On-going Management of the Operations and Engineering Departments
- 13. On-going work related to the District's Disinfection Byproducts Root Cause Analysis
- 14. Coordinated with the County and other County Water and Wastewater purveyors to provide District assistance during the extensive snowstorms.
- 15. Conducted a meeting with FEMA and Cal OES Representatives to coordinate reimbursement for efforts during the December 2022 and January 2023 Atmospheric River Storm Emergencies.

Administrative Technician:

- 1. Maintained Field Calendar
- 2. Received/Tracked All USA North Line 811 Locates Handled Associated Calls
- 3. Facilitated with Employee Reimbursements & Certificate Renewals
- 4. Field Training Course Ordering/Registrations/Travel Arrangements
- 5. Process Operations Purchase Order Batches
- 6. On Call Reminders, Transfers, Logs
- 7. Electronic Lab Report Filing
- 8. Organizing and Archiving Operations Department Documents
- 9. Safety Tailgate Meetings: Create, Track, & Archive
- 10. Attended Various Meetings & Webinars
- 11. Permit Renewals
- 12. Continued Work Efforts for CERS Program
- 13. Work Efforts for 2023 Backflow Program
- 14. Cross Connection Survey Related Work Efforts
- 15. Work Associated with CCWD Admin Portal
- 16. Miscellaneous Administrative Functions

Plant Operations Manager:

- Completed the review and acceptance of the monthly State Water Reports for all the Districts Water Systems and submitted them to the State.
- Completed the monthly Wastewater Reports for all the Districts WW Systems and submitted them to the State.
- 3. Working very closely with the new operator in West Point to ensure that all system needs are met.
- 4. On-going work associated with PO's and ordering supplies for different District facilities and projects.
- 5. Continued work efforts on annual backflow testing.
- 6. Ongoing work efforts associated with the Ebbetts Pass HAA5 violation for purposes of public notification and data collection.
- 7. Attended Quarterly Supervisor meeting.
- 8. Ongoing work efforts related to the District's Cross Connection Control Surveys with the Operations Administrative Technician.
- 9. Working with Hydro Science about upgrades at Arnold WWTP.
- 10. On-going work efforts with the Districts CERS (California Environmental Reporting System) annual reporting.
- 11. Updated the District's monthly conservation reports.
- 12. Below is the water production for the month of February 2023.

Construction and Maintenance Manager:

- 1. Staff meetings.
- 2. Board meetings.
- 3. Multiple Project Meetings Redwood tanks, AMI, CC Lift Station, etc.
- 4. Engineering Committee meeting
- 5. Coordinated all Calaveras County Public Utilities for the Office of Emergency Services' Emergency Operations Center and worked to resolve any unmet needs of Calaveras County Utilities.
- Helped the Barney Way Road Association address their road slide and mitigate further damage.
- 7. Participated in the LHMP Update meetings.
- 8. Site visit with a cell tower rep to the C Tank Site in Rancho Calaveras to determine applicability.
- 9. Coordinated mutual aid for UWPA plowed snow on Crestview in Murphys to provide access to their facilities.
- 10. Site visits to assess storm related damages and document issues.
- 11. Coordinated multiple snow removal efforts to clear access to district facilities.
- 12. On-going punch list items associated with the AMI project.
- 13. Attended the CWEA North Training Coordination group meeting.
- 14. Worked with Mobile MMS to improve the mobile interface.
- 15. Coordinated with other agencies to assist with mutual aid work due to storm damage.
- 16. Conducted the La Contenta WWTP Septic Receiving Station mandatory bid walk.

- 17. Participated in the Quarterly Utilities Coordination Meeting.
- 18. Site visits to multiple Crew work efforts.
- 19. Site visits with Mueller representative related to finishing up meter installs. Coordinated meter related work efforts with Customer Service.
- 20. Coordinated with staff multiple times for stand-by coverage during storm events.
- 21. USA ticket research with new software for field staff members.
- 22. Coordinate with Construction staff to check current road conditions and access issues after storm events.
- 23. Constant coordination with Senior Collections Worker during storm events regarding lift station pumping.
- 24. Attended the Copperopolis Town Hall Meeting.
- 25. Claims field visit to Poker Flat to review system water leaks.
- 26. Attended developer meeting related to system improvement and development integration in Rancho Calaveras
- 27. Multiple field visits regarding storm events and conditions.
- 28. Multiple phone calls to customers regarding issues/concerns.

District Engineer:

- 1. Reviewed last bit of design for the Arnold WWTP Secondary Clarifier in anticipation of 100% Plans.
- 2. Continued participation in the Jenny Lind Elementary School Sewer Line Project meetings. Provided contract consultant's electrical design review comments to the Civil Design Team.
- 3. On-going work associated with the design of the Jenny Lind A to B Pipeline's Project. Potholing Plan discussion.
- 4. On-going project meetings, RFIs and submittal review for the District's Copper Cove Sewer Force Main Relocation and Lift Station Rehab Project
- 5. Extensive work with LGI Homes to develop the best offsite improvement effort for their North Vista Project.
- 6. Completed a Letter Report Agreement with the Army Corps related to our Copper Cove Tertiary Improvements and Dam Raise Project. On-going review of the Letter Report with the Corps and discussion of additional project memos and checklists.
- 7. On-going work associated with the West Point WTP second filter project. Anticipate filter delivery in March.
- 8. Extensive work to develop an update to the five-year CIP that acknowledges the financial status of the District and informs the in-process rate study.
- 9. On-going work related to the District Rate Study
- 10. Continued to work closely with the Design Team related to the Copper Cove Water System Improvements. Design Consultant proceeding nicely.

Purchasing Agent:

- 1. On-going Coordination of the move of material from the rented warehouse to the newly constructed District Warehouse.
- 2. Completed invoicing for purchased material.
- 3. Met with various reps and received quotes for various items for purchase.
- 4. Ordered parts, tools, materials, and equipment for all departments.
- Coordinated servicing of District Vehicles for Field Staff worked to coral 4 trucks and Staff to complete mechanical recall work in one location.
- 6. Reconciled Credit Cards for Field Staff
- 7. Coordinated Hunt & Sons fuel Deliveries with the Mechanics during the Atmospheric River Storms
- 8. Ordered pumps for D and E Tank Pump Stations in the Jenny Lind Service area.
- 9. Sold and coordinated the removal of seven surplus District vehicles.
- 10. Delivered supplies, materials, and parts.

Engineering Department

Meetings

- Weekly meetings with Engineering Dept
- Monthly meetings with Finance to review CIP budgets.
- Local Hazard Mitigation Plan Meeting
- Employee Relations Committee Meeting
- Public Outreach Team meetings

Quarterly Utilities Meeting

Projects

- AMI/AMR Meter Project (Weekly meetings, coordination of final meter installations)
- Warehouse and Maintenance Building Project (Progress pay, Cisco Fire change order, drywall and texture, final electrical, move-in)
- West Point Back Up Filter Project (submittal organization, progress pay, quarterly report prep, coordinate filter delivery)
- West Point Wilseyville Project (Submittal organization, prep quarterly report)
- Jenny Lind WTP Filter Rehab Project awaiting the arrival of the contractor to complete the work.
- Redwood Tanks Project (Quarterly report prep, progress pay, brought MM 2 tank online and set up temporary tanks at the Larkspur tanksite to complete the replacement effort.)
- Hunters Pump Station Project (Quarterly report prep and requested a follow up from FEMA for the Project Construction.)
- Copper Cove Wastewater System Improvements (Bi-weekly USACE meetings)
- Copper Cove Lift Stations & Force Main Project (Submittal organization, progress pay, HOA meetings, completion of the force main install in Bret Harte Drive and associated electrical and comm lines for generators).
- La Contenta Septage Dump Station (Ad for bid, Pre-bid meeting prep, bid opening, Board items prep).

Developer Projects

- CV Development (Project meetings)
- North Vista Plaza / LGI Homes (Project meetings)
- Saddle Creek 7B (Board items for Close-out and Acceptance, release of previous maintenance bonds)
- Blue Mountain Electric Biomass Project (Concept Review)

Misc.

- Grant Writing 101 Webinar
- Town Hall presentation prep
- Scholarship reviews
- Cell tower lease agreement coordination (JL tank C site, WP tank site)
- Fire Hydrant Meter Reading/Billing
- Cost to Serve = 1 (EP)
- Termination of Service = 2 (EP)
- Customer Issues = Grease Trap approval (EP)
- Request for Comments = 1 (EP)

Construction Inspection

- 1. Worked on multiple projects.
- 2. Senior Inspector enrolled in training for QSP Certification.
- 3. Forest meadows UV system project.
- 4. Service connection inspections Copper and Valley springs.
- 5. Attended staff and project meetings for multiple projects.
- 6. West Point/Wilseyville consolidation monitored through storms.
- 7. Flume Ct tank online, disinfected and filled the tank at Larkspur, working on the testing portion of work with operation staff to put temporary tanks in service.
- 8. West point filter addition construction poured New Building slab and housekeeping pads. Site is ready for Filter to be set in place.
- 9. Inspected the installation of new Sewer Force main connection to Connor's Main lift station, 5 ARV's and pulled new power for lift station 6 & 8.

- 10. Reviewed submittals for Copper Cove sewer lift station and force main project.
- 11. Engineering committee meeting
- 12. Project meetings for Copper Cove Lift station project.
- 13. Standby for severe storms.
- 14. Worked on A to B transmission design review.
- 15. Coordinated work with multiple Departments across the District.
- 16. Reviewed Copper Water plant design plans.
- 17. Met with Coleman engineering regarding A to B design.
- 18. Worked with utility crew to begin work on service line replacement in poker flat.
- 19. Backhoe training.
- 20. DOT training course.

Water Treatment Plants:

Copper Cove Water Treatment Plant:

- 1. B-Tank, Redwood Tank leaking badly at bottom of tank. Especially late afternoon with sun exposure.
- 2. Worked with PBI engineering on Water system upgrades.
- 3. High NTU's and storm related issues making operations difficult.
- 4. Extensive after-hours operation of the facility During an Atmospheric River Storms.

Hunter's (Ebbett's Pass) Water Treatment Plant:

- 1. Operations as usual
- 2. White Pines Monthly Dam Inspection
- 3. Extensive after-hours operation of the Facility During an Atmospheric River Storm
- 4. Used side by side to access tanks due to snow.
- 5. MM #2 now into service

Jenny Lind Water Treatment Plant:

- 1. Operations as usual
- 2. Extensive After-Hours Plant Operation during an Atmospheric River Storm

Sheep Ranch Water Treatment Plant:

- 1. Operations as usual
- 2. Plant off during high NTU storm events.
- 3. Ebbetts Pass Distribution Crew cleared the intake structure of debris.

Wallace Lake Estates Well System:

1. Operations as usual

West Point Water Treatment Plant:

- 1. Operations as Usual
- 2. On-going construction for the installation of the second filter

Wastewater Treatment Plants:

Arnold Wastewater Treatment Plant:

- 1. Operations as usual
- 2. Coordination with Engineering RE new Clarifier Design
- 3. Extensive work to ensure effective operation during Atmospheric River Storms

Copper Cove Wastewater Treatment Plant:

- 1. Battling inflow and infiltration to the facility.
- 2. Received approval from DSOD to dam the spillway if necessary to avoid spilling from Pond 6.
- 3. Running Pond 4 to the Reclaim Plant to lower the pond level.
- 4. Rainfall from the Atmospheric River Storms is unprecedented.

Copper Cove Wastewater Reclamation Plant:

- 1. Reclaim Plant online during fair weather to lower pond levels.
- 2. Pond 6 is getting very high.
- 3. Struggling with algae issues in Pond 6. Work continues with water IQ on updated the ultrasonic units.

Country House Wastewater Facility:

1. Operations as usual

Forest Meadows Wastewater Treatment Plant:

- 1. Operations as usual
- 2. Storm related work efforts.

Indian Rock Vineyards Wastewater Facility:

- 1. Operations as usual
- 2. Storm related work efforts.
- 3. Had tanks pumped of sludge by the Collections Crew.

La Contenta Wastewater Treatment Plant:

- 1. Operations as usual
- 2. Storm related work efforts.

Mountain Retreat / Sequoia Woods Wastewater Facility:

1. Operations as usual

Six Mile Wastewater Collection System:

- 1. Monthly reads taken and report submitted to the City of Angels Camp
- 2. Sewer line break repaired by Collections and Construction,

Southworth Wastewater Treatment Plant:

- 1. Operations as usual
- 2. Discharged treated effluent during fair weather events.

Vallecito / Douglas Flat Wastewater Treatment Plant:

- 1. Operations as usual
- 2. Extensive after-hours operation related to sludge condition and entrained air.

West Point Wastewater Treatment Plant:

- 1. Operations as usual
- 2. Storm related work efforts.

Wilseyville Wastewater Facility:

1. Operations as usual

Distribution:

Copperopolis Distribution System:

SERVICE LINE WORK

- 1. 331 Table Mt. Court
- 2. 194 Millie Court

MAIN LINE WORK

1. None

Additional Work

- 1. 4 Valves Turned
- 2. Service Requests
- 3. USA's

Ebbett's Pass Distribution System:

SERVICE LINE WORK

1. None

MAIN LINE WORK

None

Additional Work

1. Coordination with the Tank Replacement Project

- Emergency Repair with the Construction Crew of a fire hydrant runner off Lakemont damaged by snow removal equipment.
- 3. Extensive snow removal work and storm-related issue response.
- 4. Emergency Repair of an air-relief valve off Pinebrook damaged by snow removal equipment.
- 5. Customer Service Work Orders.
- Multiple areas with damage from storm and snow removal in system. In process of documenting and assessing damage.
- 7. Flume Ct. Tank altitude valve is adjusted, and tank is in operation.
- 8. Larkspur Tank altitude valve is adjusted, and temporary tanks are now in service.
- 9. Sheep Ranch Diversion plugged from storm runoff. Unclogged diversion gate and will return this Spring to do more maintenance at diversion.
- 10. P.R.V. repair at Darby Russell and Indian Hills. 1/4" brass nipple and valve cracked.
- 11. U.S.A. locates for PG&E underground project. All of Wylderidge/ Darby Russell and Indian Hills. Multiple days to finish locates.

Jenny Lind Distribution System:

SERVICE LINE WORK

- 1. 6780 Baldwin
- 2. 8504 Goggin
- 3. 5816 Baldwin
- 4. 7038 Westhill
- 5. 8874 Bell Ct
- 6. Sample site at 1841 Berkesey
- 7. 3678 Hanley
- 8. 8315 Hedgpeth

MAIN LINE WORK

1. None at this time

ADDITIONAL WORK

- 1. Vehicle Inspections
- 2. Lower end flushing for water quality.
- 3. Month end reads for raw water, hydrant meters, Lancha Plana and fill stations.
- 4. Tank and pump station checks.
- 5. Weed eat and sprayed tank sites, pump station sites and PRV vaults.
- 6. New tires installed on service truck # 621
- 7. Backhoe training in class and on hands at the La Contenta warehouse
- 8. Hot tap installation training through Hydra stop.
- 9. Greased GapVax at La Contenta yard
- 10. Greased dump truck at La Contenta yard
- 11. Line locates.
- Work orders for pressure problems, leaks, backwards turning meters and meter downsizing installations etc.
- 13. Identified pump problem on pump 2 at D tank pressure system and working with mechanical crew to replace.
- 14. Many manual meter reads through Sentryx that weren't automatically populated.
- 15. Moved double meter set up to roadside that had been previously disconnected on Jenny Lind Vista Court so customer could connect
- 16. Continued work regarding storm related issues including flooded out meter boxes with missing lids and debris clean up etc.
- 17. On boarding of our new distribution employee Extensive training that will be an ongoing task.
- 18. Flushed Gold Creek 3 to maintain water quality as there has been no water usage in there since that phase has been completed.

West Point Distribution System:

SERVICE LINE WORK

1. None

MAIN LINE WORK

1. None

ADDITIONAL WORK

- 1. Plowed snow at WWTP and at WTP
- Plowed snow to gain access to fuel generators.
- 3. Helped collections crew with sewer calls.
- 4. Worked in shop cleaning and organizing.
- 5. Line locates (USAs)
- 6. Customer Service Work orders
- 7. CWEA collections training in Lodi
- 8. Installed with the Construction Crew 26" valves on Barney Way due to mud slide
- 9. Laid out plastic and sandbags on Barney Way mud slide to help support roadway.
- 10. Located 3 buried valves on Barney Way and dug them up to make them accessible.
- 11. Continuously checked on Barney Way and customers
- 12. Responded to high level sewer alarm at WP lift station, kept lift station from spilling.
- 13. Stripped down old mechanics truck (525) Welder, air compressor, fuel cell, torches, air and fuel hoses etc.
- 14. Monthly reads
- 15. Kept all generators accessible and fueled up.

Construction

- 1. Assisted in leak repair with the Ebbetts Pass, Copper Cove, and Jenny Lind Distribution Crews
- 2. Hauled Rock to all yards as needed.
- 3. Received a Rolleri Dozer at White Pines and used to clear the road to Sawmill Tank of Snow.
- Cut-in a guard valve for a broken fire hydrant on Lakemont Drive in Arnold. Completed the emergency repair of the hydrant runner with the EP Distribution Crew.
- 5. Completed an emergency repair of a air-relief valve with the EP Distribution Crew damaged by snow removal equipment.
- 6. Staged pumper trucks throughout the district to ensure effective pumping during storms.
- 7. Extensive snow removal on Ebbetts Pass
- 8. Equipment Maintenance
- 9. Cleaned up/Organized yard in Vallecito.
- 10. Moved the Warehouse and many shop tools to the new District Corporation Yard.
- 11. Emergency sewer line repair on the Six-Mile line and discussed options to relocate a portion of the line.
- 12. Installed Isolation valves on the water main in Barney Way to reduce the chance of system failure related to the Road slide.

Electrical:

- 1. Troubleshot and repaired AMI collector at E-Tank in Valley Springs, replaced failed receptacle.
- 2. Troubleshot and repaired the sludge rake at La Contenta WWTP, reset the overloads.
- 3. Walked operator through a repair of the data computer at West Point WTP.
- 4. Troubleshot and repaired Copper Cove lift station #8, replaced 2 floats and adjusted level of floats.
- 5. Had recall work performed on truck #740 at the Ford Dealership.
- Troubleshot and repaired control system at Copper Cove lift station #8 again, transducer failed, replaced it with a new one.
- 7. Reestablished radio communications at the Copper Cove catch pond after a PG&E power outage.
- 8. Confirmed the power status for pump stations up Hwy 4 after storm related power outages.
- 9. Troubleshot and repaired AMI collector at Jenny Lind Road, tightened a loose neutral wire.
- 10. Troubleshot the Copper Cove C-Tank standby generator, found a faulty low temp sensor.
- Troubleshot Upper Cross Country lift station in Copper Cove, manually transferred generator switch after brown out.
- 12. Troubleshot Copper Cove lift station #9 communication failure.
- 13. Troubleshot power outage at Wallace WTP, notified PG&E of the problem.
- 14. Troubleshot Copper Cove lift station #42 after storm related PG&E power outage.
- 15. Checked function of solar backup power system at Copper Tank.
- 16. Used skid steer to remove snow at Hunters WTP during a storm event.

- 17. Researched phone lines for audit at FMWWTP, found 2 dead lines, had I.T department reach out to the phone company to repair.
- 18. Troubleshot Conners Main lift station for an erroneous alarm.
- 19. Figured out temporary generator control wiring at Copper Cove lift station #8 construction project.
- 20. Performed numerous USA electrical system locates in the Copper Cove service area.
- 21. Tested phone lines at Hunters WTP for phone line audit.
- 22. Worked with contractor to install control wire between Copper Cove lift station #6 and #8 for generator start, new conduit was crushed, contractor repaired it.
- 23. Troubleshot and repaired pump #2 and pump #2 controls at Huckleberry lift station, repaired controls and performed an insulation test, recommended sending pump #2 out to be rebuilt after the weather improves.
- 24. Troubleshot and repaired C-More HMI screen at Huckleberry lift station after a storm event.
- Troubleshot and repaired the SCADA remote access system at LCWWTP, network cables were unplugged.
- 26. Replaced failed 750va UPS at West Point WTP after power outage due to storm event.
- 27. Troubleshot and repaired alarm history database at WPWTP after UPS failure.
- 28. Repaired the gate at West Point WTP after the county snowplow accidentally damaged it with the blade.
- 29. Un-wired pump #2 at D-Tank pressure system after testing pump and determining it had failed.
- 30. After hours emergency repair of the Copper Cove C-Tank site polling radio system after lightning strike, replaced failed polyphaser.
- 31. Tested remote SCADA access at Copper Cove WTP after performing a repair.
- 32. Troubleshot pump failures at Huckleberry lift station due to a storm related power outage.
- 33. Checked phone lines at Jenny Lind TC, Jenny Lind WTP, and the Copper Cove area for the phone line audit.
- 34. After hours troubleshoot and repair of Copper Cove WWTP headworks, main breaker and generator main breaker kept tripping, found direct short going to the storage building.
- 35. Installed new soft start at Conners Main lift station, programmed/tested new unit.
- Troubleshot and repaired Copper Cove lift station #17, pump failed to start due to storm related power outage.
- 37. Troubleshot booster pump #3 seal failure at Lower Cross-Country lift station.
- 38. After hours emergency troubleshoot and repair of the SCADA 1 machine at Hunters WTP after a complete crash, moved hard drive to another computer, installed proper drivers and tested SCADAlarm, used machine as a temporary solution.
- 39. Troubleshot blower #1 failing at Arnold WWTP, ordered starter auxiliary contacts to repair it.
- 40. Troubleshot failed heaters at Hunters WTP, ordered new fan motors.
- 41. Troubleshot and repaired the control system at Mountain Retreat lift station, adjusted low level float to prevent it from going in a backup condition prematurely.
- 42. Replaced failed 4' lamps and outside fixtures at the White Pines Barn.
- 43. Troubleshot and repaired Copper Cove WWTP headworks wet well pump controls, found pumps ragged up due to recent storm flows, worked with mechanical staff to de-rag two of the pumps.
- 44. Replaced bad transducer at Sequoia Woods lift station after old unit failed.
- 45. Put new SCADA #1 machine online at Hunters WTP, set up Win911 tag database and contact database, set up trends and new alarm bottom banner.
- 46. Connected recently repaired phone lines at Forest Meadows WWTP to the SCADA pager and fax machine
- 47. Replaced 2 failed HOA switches for the blowers at La Contenta WWTP.
- 48. Reestablished telemetry radio communication from pond 4 to Copper Cove WWTP after power outage due to windstorm.
- 49. Replaced faulty GFI receptacle at Arnold WWTP.
- 50. Went through new SCADA #1 machine at Hunters WTP and smoothed out annunciations (alarms and names) in Win911 software.
- 51. Replaced thermostat in a unit heater at Hunters WTP after failure of old unit.
- 52. Used remote SCADA access to remove a personal phone number from the alarm call out database at the operators request.
- 53. Ordered a CAL Compliant wall unit HVAC system for the control room at Copper Cove WTP after old unit failed completely.
- 54. Helped mechanical staff relocate vehicle lift from the old shop to the new shop.
- 55. Troubleshot and repaired AMI collector at Blue Lake Springs, the power cord had pulled out.
- 56. Helped mechanical staff move the plasma table from the old shop to the new shop.

- 57. Troubleshot and repaired an AMI collector in West Point, Mueller to supply replacement parts.
- Troubleshot and repaired 2 UPS units at the Copper Cove reclaim plant after power outages due to a windstorm.
- Used SCADA remote access to update the distribution alarm group callout list at Hunters WTP.
- 60. Replaced failed 500va UPS at battery at Copper Cove Reclaim plant.
- 61. Changed over controls at Larkspur tank to temporary tank during construction project.
- 62. Hooked up a temporary portable generator at Wallace WWTP while stationary standby generator is repaired.
- 63. Removed ex operator from distribution call out lists per their request.
- Used remote access to fix the time on the SCADA machine at Forest Meadows WWTP.
- Troubleshot and repaired ozone generators at Copper Cove WTP, suspect unstable power feed from PG&E.
- 66. Replaced filter status lights on all the filters at Jenny Lind WTP.
- 67. Installed UPS bypass jumpers in main j-box for ozone generator power feed at Copper Cove WTP.
- 68. Troubleshot and repaired Copper Cove lift station #43, no pump alternation, was disabled in SCADA.
- 69. Troubleshot and repaired telemetry radio communication failure at Pinebrook tank
- 70. Troubleshot and repaired aerator failures at Copper Cove WWTP, met with PG&E about a low voltage situation, PG&E will switch back to the proper circuit after a repair is made ASAP.
- 71. Replaced auxillary contacts on the blower #1 starter at AWWTP restoring proper function.
- 72. Updated SCADA graphics at HWTP to correctly depict tanks after removal of the redwood tanks.

Collections:

- 1. SSO online reporting complete.
- 2. Monthly dry can inspections complete.
- 3. Weekly lift station inspections complete.
- 4. Monthly vehicle inspections complete.
- 5. Dug out lift stations on the pass due to snow
- 6. Called out to LS 8 due to high level caused by rags and debris wrapped up on floats and transducer.
- 7. Hauled sludge from Angels Camp WWTP to Vallecito WWTP to help with plant operation.
- 8. Called out to LS 8 in Copper. High level due transducer failure causing high level.
- 9. Called out to 3710 signal hill- backup issues inside the house. issue was on customer side.
- 10. Pumped and cleaned lift stations 8,9,10, and 11 in Copper.
- 11. Worked on storm related issues due to heavy snow.
- 12. Cleared snow from lift stations in Arnold in preparation of storms moving in.
- 13. Pumped Vallecito and Six Mile LS's due to storm issues.
- 14. Called to West Point LS due to high level.
- 15. Pumped septic tank at West Point fire department and West Point WWTP due to flooding issues.
- 16. Called to Mt. Retreat LS due to high level alarm was able to get it to catch up.
- 17. Reset all lift stations affected by storm issues.
- 18. Worked through flooding issues in copper caused by thunderstorms.
- 19. Worked on storm related issues at LS's due to storm. Foothill Sanitary helped us out at lower.
- 20. Repaired Six-Mile force main at Stelte Park Bridge.
- 21. Collections review class in Lodi 3-14-23 continued lift station pumping at six mile and Vallecito due to storm issues.
- 22. Called to Mt. Retreat due to high level due to storm issues evening of 3-14-23.
- 23. Installed temporary fencing around LS 15 due to fence collapse in storm.
- 24. Flushed main line in West Point below fire station (quarterly maintenance).
- 25. Called out to LS 11 in Copper high level due to float issues.
- 26. Called to 9054 cliff ct. septic tank alarm due to sludge buildup.
- 27. Continued USAs in La Contenta for PG&E replacement.
- 28. Calibrated gas monitors (quarterly calibration).
- 29. Cleaned pump on septic tank at 1320 Skunk Ranch will need to pump and clean tank.
- 30. Called out to LS's 41,13&7 in Copper due to power outages.
- 31. Pumped and cleaned septic tank at 1320 Skunk Ranch Road.
- 32. Helped with water leak in Copper.
- 33. Hydro'd main line above Hwy 4 LS (6-month maintenance).
- 34. Started checking septic tanks in Six- Mile.

- 35. Continued checking septic tanks in Six- Mile.
- 36. Pumped recirculation tank at east field of Indian Rock leach fields.
- 37. Pulled pumps at LS 10 in Copper and de ragged them.
- 38. Continued checking septic tanks in Six Mile and started pumping them.
- 39. Pumped and cleaned lower cross-country LS. Quarterly maintenance.
- 40. USA's completed district wide as needed.

Mechanical:

- 1. Added a 120v outlet and trickle charger to LC Warehouse portable air compressor to eliminate dead battery when compressor goes without use for extended periods of time.
- Moved the dump bed controller on V743 for the distribution crew to make operation and leak repair more streamlined.
- Troubleshot and identified leaking hydro boost on V621, called Ford and ordered a replacement. Cameron installed.
- 4. Wired strobe lights in on V747 to provide safer refueling efforts during the storms.
- Ordered material from Herd's, cut, fabricated, and welded aluminum septic tank rakes for the Collections Crew per the Collections Crew request.
- 6. Installed an Aerator in Pond #4 at the Copper Cove WWTP.
- 7. Troubleshot, ordered parts through the Purchasing Agent, and repaired the Forest Meadows air compressor #2. Unloader valve had failed causing too much crankcase pressure blowing the dipstick and oil out all over compressor room.
- 8. MMS-worked on adding more assets and S/N to assets. Added documents to workorders and closed all workorders that have been completed. Need to sit down with WebSoft and make some adjustments.
- 9. Dump run to clean up tires and trash in mechanics shop parking lot.
- 10. Gathered all spare air cleaners for La Contenta WWTP blowers and delivered to the Operator.
- 11. V728 power steering pump leaking, Gathered VIN and ordered a replacement through Ford. Cameron replaced. Returned the core.
- 12. Replaced the LF wheel bearing on V613.
- 13. Gap Vac rear tire had a large bolt in it. Removed the tire and wheel, then dismounted the wheel from tire. Took the tire to multiple tire shops but none had the correct plug patch to repair. Found a good used tire from Jackson Tire that matched the tread height of the existing tires on Gap Vac. Mounted the tire on the wheel and reinstalled the wheel on the Gap Vac.
- 14. Moved the fuel tank, plasma table and welding table to new maintenance building with Construction.
- 15. Call came in from Arnold Distribution, Sawmill pump #3 failed to start. Drove to Sawmill and troubleshot. Run Cla-Val by hand and verifed proper operation, tried the HOA switch and nothing. Go to MCC room to check breaker and found VFD Fault. Reset and tested pump. All okay.
- 16. Oil change on V747 @ Tool's garage
- 17. Assisted in setting up and leveling new shipping container at the new Corp Yard.
- 18. Mockup gate opener with the electricians at the new maintenance building, identified and drafted parts that need to be fabricated to install.
- 19. Worked with the electricians to get a portable generator to the Wallace Wastewater Treatment Plant. Electricians wired portable in to the transfer switch so the stationary generator radiator could be removed and repaired. Disassembled and removed the radiator and took it to Western Radiator Services for repair quote. (\$4,100 quote for new replacement through Bay Cities)
- Loss of power to outlets in mechanics shop along back wall. Troubleshoot and find burnt up GFCI outlet. Found a spare GFCI and replaced to restore power.
- 21. A large commitment for the month was storm readiness and responding to running generators and trees downed limiting access to facilities and equipment.
- 22. Installed both tilt and steering hydraulic cylinders for Jenny Lind WTP forklift and put back into operation
- 23. Brakes and oil change V721
- 24. Carried out district wide generator checks as well as fueling and monitoring during storm conditions
- 25. Tore down, assessed damage, cleaned, and re-established lubrication to the Wallace WTP transfer pump motor bearing and placed back online for service.
- 26. Removed and replaced hydro brake booster V621.
- 27. Copper cove WWTP- install aerator motor and prop assembly to associated float as well as safety wire hardware and leave ready for electrical connection

- 28. Diagnosed premature failure of V728 power steering pump. Installed a new pump and put back into service upon arrival of new part.
- 29. Diagnosed and corrected leaking PTO on V748
- 30. Assisted in troubleshooting, lifted and de-ragged the submersible pumps at the Copper Cove WWTP.
- 31. Carried out maintenance and repairs to vehicles 534= vehicle inspection. V531 replace failed rear wheel bearing and inner wheel seal. V608= tested and replaced the battery to maintain readiness.
- 32. Diagnosed and corrected a non-op lift gate on V708 (bad ground to motor).
- 33. Diagnosed non-op hydraulic functions on Forest Meadows WWTP Kubota tractor. Drained contaminated hydraulic fluid, cleaned the system filters, and replaced fluid to proper level, QA, and returned to service.
- 34. Researched and ordered repair parts for generators I.E. photos and e-mail with bay city electric.

Underground:

- 1. Assisted the Jenny Lind and Copper Distribution Crews with leak repair.
- 2. Began valve replacements on Sunrise in Poker Flat.
- 3. Finished service line replacements on Heney Ct.
- 4. Weekly maintenance on all existing cut back road excavation sites
- 5. Winterized Baldwin excavation sites
- 6. Assisted the Purchasing Agent with the move in effort to the new shop.
- 7. Started planning for mobilization and the replacement of service lines in Poker Flat.

Prepared By: Damon Wyckoff, Director of Operations
