

## NOTICE INVITING BIDS

Calaveras County Water District invites bids for construction of its New Maintenance and Warehouse Building Project which will be located adjacent to the District's main office on George Reed Drive in San Andreas. The new metal building will be approximately 160-FT x 60-FT (9,600 SF) with three service bays for equipment repairs, warehouse space and internal offices for maintenance staff. The District will be providing prospective bidders with grading, drainage, paving, site utility, and preliminary building design plans. Final building design plans would be prepared by the Contractors Metal Building Manufacturer, stamped by a Registered Professional Engineer and submitted to the District for approval. There will be three separate bid schedules, bidders can submit bids on one or all of the bid schedules. Bidders will not be required to submit on all bid schedules. Bids will be compared on the basis of the lowest individual schedule, or lowest combination of schedules. The three bid schedules are divided into (A) Site work, Grading, Drainage, and Paving, (B) Metal Building and Concrete Foundation, (C) Internal Walls, Electrical, Lighting and HVAC. The Engineers Estimate for this project is \$700,000. Prospective bidders are required to inspect the project site prior to submitting a bid. Bidders shall be licensed as a Class A General Engineering Contractor or Class B General Building Contractor and be skilled, experienced and regularly engaged in the type of work called for by this Contract. All contractors and subcontractors must register with California DIR pursuant to Labor Code §1725.5 to bid or to be listed as a subcontractor pursuant to Public Contract Code §4104.

Separate sealed Bids to be received at the Calaveras County Water District's main office at 120 Toma Ct., San Andreas, CA 95249 no later than 2:00 PM, April 15, 2020, and publicly opened and read aloud. A non-mandatory pre-bid meeting will be held 10:00 AM, March 24, 2020 at the District's office.
