Special Note: COMMERCIAL MASTER METERS - Per Resolution 2006-10 (Jan 25, 2006), "separate business units on the same legal parcel under a single control or management may be served by a single service connection and meter to the entire premises."

**Wastewater Capacity Connection Fees:**

Calculated as:

Capacity/Connection Fee Rate as of Application Date x Sewer Equivalents (Defined as Multiple of Single Family Equivalent)

*For Example, Four (4) condos in Forest Meadows would be:*

**$\$13,534 \times .7 \times 4 = \$37,895.20$**

*Four (4) condos in La Contenta would be:*

**$\$20,355 \times .7 \times 4 = \$56,994.00$**

| Wastewater/Sewer Equivalent Units |                         |
|-----------------------------------|-------------------------|
| Type of Structure                 | Equivalents/Units       |
| Single Family Residential         | 1                       |
| Accessory Dwelling                | 0.55                    |
| Apartment                         | 0.55                    |
| Duplex, Triplex or Condo          | <b>0.7</b>              |
| Townhouse or Mobile Home          | 0.7                     |
| Commercial                        | See Demand Factor Table |

Note: Wallace uses Jenny Lind for water connection fee and \$9,000 for sewer connection fee.
